

Chinmaya Nanda Nayak

WEB DEVELOPER

Fresher

Bhubaneswar, IN nayakchinmayananda344@gmail.com +91 7846816968

Vigorous Web-d seeking opportunities that will further practice their code, as well as opportunities that encourage the growth and acquiring of valuable fieldwork and industry experience. Highly interested in working for full stack developer, the company that gives this opportunity through employment may look forward to adding a developer that is not only active and meticulous in covering the most crucial of trends related to business and economy in the country, but also expect that particular work ethic to be consistently demonstrated in my mindset to contribute to the company's mission positively and objectives.
